

♥ MITZVAH PROJECTS

Let JFCS support you as you prepare for your big day of becoming a B'Mitzvah and embrace the Jewish value of tikkun olam (repair of the world). These projects are open to anyone and are great options for both individuals (B'Mitzvah students, teens, and adults) and groups (families, schools, book clubs, mahjong groups, community organizations, businesses, etc.) looking to make a difference in the community.

JFCS serves people of all faiths and backgrounds, from babies to "bubbes," in a variety of programs – our staff will work with you to plan something that is meaningful and fun.

Check out our Mitzvah Project offerings and pick a cause you want to support. If you have an idea not on this list, let us know and we can work with you to customize the right project for you.

If you are interested in participating in a Mitzvah Project or learning more, contact Dana Shapiro, Community & Volunteer Engagement Manager, at dshapiro@jfcsmpls.org or 952-417-2112. We look forward to connecting with you!
