

VOCATIONAL REHABILITATION AND EXTENDED EMPLOYMENT

The vocational rehabilitation and extended employment program provides personalized services to individuals with disabilities who are seeking to improve their work lives or find employment.

Program Eligibility Criteria

Referrals to JFCS for services are made by counselors of State Rehabilitation Services, Hennepin County Family and Adult Services, or by a professional from other agencies.

Potential program participants must meet the following criteria in order to qualify for services:

- Be 16 years of age or older
- Have a disability that makes it difficult to obtain and maintain employment
- Have a need for intensive support in order to remove barriers to competitive employment
- Demonstrate the desire and potential to benefit from services available
- Manage essential activities of daily living that are commonly required within a work place environment
