

JFCS offers short- and long-term volunteer opportunities for people of all ages to get involved in the services provided to those in need in both the Jewish and broader communities. Volunteer needs and opportunities fluctuate throughout the year. JFCS has COVID-19 safety protocols in place following CDC recommendations.

Here are some of the ways to get involved:

- Participate in [Hag Sameach \(Happy Holidays\) Program](#) supporting families in need during Passover and Hanukkah and throughout the year – Adopt-a-Family, purchase gifts from our registries, volunteer to sort, pack or wrap gifts, deliver gifts to program recipients
- Provide essential rides for JFCS clients through the [Garber Transportation Program](#)
- Ease isolation of **Senior Service** clients living independently as an Outreach Visitor or Telephone Reassurance Volunteer
- Create homemade cards for JFCS clients through **Cards for the Community** to brighten their day
- Join JFCS's [NextGen](#) group and volunteer along with other adults in their 20s and 30s
- Get involved with [J-Pride](#) and help plan an upcoming program
- Become a Jewish Youth Mentor and positively shape a child's future by sharing your time, energy and enthusiasm
- Help promote JFCS programs by **tabling at events** in the community
- Provide a **delivery of food or event materials** in the community
- **Support JFCS staff with events** throughout the year – Annual Benefit, PJ Library, Caring Connections, Annual Conference on Mental Health, Keeping the Spirit Alive Conference, etc.
- Assist with **administrative projects** that pop up around the office
